Mr. Lynn,

This message is in furtherance of my Motion to Advance Ruling on my Motion to Withdraw. After the status hearing on settlement and the unfounded and ungrounded allegations made by Mr. Hudson against myself on his representation in this case, I urged the Court to sign an order allowing my immediate withdrawal from this case *instantly*.

The Court stated that it wished to maintain the Status Quo while Opposing Counsels checked with their clients on one particular settlement issue and thus, wanted to keep me in the matter until a final status. The issue with that is my client has made claims against me on record and recently sent an email seeking his client file.

Previous to this, Mr. Hudson has communicated directly with Opposing Counsel and this Court acting as his own counsel.

Keeping me in this matter will only subject me to additional unfounded allegations of insufficient representation after the hard work and fighting I've done on Mr. Hudson's behalf. I urge the Court to enter an order allowing my immediate withdrawal *instantly*.

Dear Mr. Lynn –

The Defendants object to Mr. Hudson sending the annotated settlement document to the Court without prior notice or conference with them. We will be prepared to discuss this matter at the new hearing time tomorrow.

Very truly yours,

Sarah Marmor

Subject: Re: 18-cv-8243 Hudson v. Foxx, et. al.

Thank you, Mr. Lynn.

Please let me know if Judge Wood is able to assist the parties in Settling this case or if Judge Wood will refer this matter to the Magistrate Judge for assistance with Settlement. Please see the proposed document attached for Settlement purposes only. Thank you.

Sincerely,

Brandon

Mr. Hudson:

Please see the attached order resetting the hearing for tomorrow to 12:15. The Judge is requesting you personally participate in the hearing by phone. Instructions for the hearing are below. Let me know if you have any questions.

The hyperlink below will direct you to the ATT conferencing website. From there, join the conference as a guest, enter your name, and complete the CAPTCHA. After entering your name, please use the "Call me" button and enter your phone number. You will receive a call and be connected to the conference line.

While participants will have the ability to identify who is speaking, speakers should still identify themselves for the purpose of creating a clear record. Participants should be careful to speak clearly and not to speak over any other participants. If you do not have access to a computer, please access the conference by using the public call in information.
